ENVIRONMENTAL MANAGEMENT SYSTEM MANUAL

ENVIRONMENTAL POLICY

We, the management and employees of **Harrisons Malayalam Limited** are committed to the continual improvement of the environmental management system and prevention of pollution by ensuring that all our activities at every stage of **processing and selling of natural rubber latex** comply with applicable legal, statutory and other requirements. It is our endeavor to minimize waste generation, reduce impact on the environment from harmful emissions and effluents, promote recycling and reduce energy and water consumption. As a part of our purchase policy, we work with suppliers who themselves have sound environmental policies.

To implement this policy effectively, we are periodically monitoring and reviewing set objectives and targets. The policy is implemented and maintained at all levels by communicating to all persons working for or on behalf of our organization. The environmental policy is available to the public on request.
